

# PRISON VOICES

**PrisonVoices.com** is a 100% free service for inmates to reconnect with the outside world. By creating a personal profile page you can request penpals, and have a place to showcase your writings, poetry, short stories and drawings. A personal profile will be created with the information you supply below, and you can use the back of this page to write a detailed biography of yourself. Remember also to include a photo of yourself to be displayed on your profile page. When you're finished, you may send everything to a friend or family member who can create your profile for free at [www.PrisonVoices.com](http://www.PrisonVoices.com)

Use the back of this page to tell the world about yourself. There is no limit on the amount of text, but since you're having someone at home type this up for you, keep in mind they may not have time to type five or six pages for you. ☺

Any articles, stories, poetry or drawings you include **MUST** be accompanied by a **title**. These can be added to your profile page at any time.

Remember to **include a photo** if you have one. If not, you can always send one later to whoever created your profile for you. Your profile photo can be replaced with a new one at any time.

- \* Once your profile is created, the website URL will be [http://\[nickname\].prisonvoices.com/](http://[nickname].prisonvoices.com/)
- \* Don't forget to ask your friend or family member to print a copy of your profile page for you.
- \* Please feel free to make copies of this application to pass on to other inmates.

Remember: Fields in **bold** are required; all else optional.
